for \$1.

There once was a rule that, for a salesman to double his SALES, he had simply to double his CALLS. But that cannot be done nowadays.-- YOU CAN, however, greatly increase sales by preceding and following up salesmen's calls with POST-CARD ADVERTISEMENTS like this.-- You can do it very easily and inexpensively by using our combination Post-Card PRINTER & ADDRESSER. 5 Cards at the cost of 1 Letter. Return this, in envelope, for DEMONSTRATION.
